

Words From the Wise

I have some exciting news to share! Since 2020, we have not been able to host our annual anniversary picnic on California Baptist University’s campus. We still had the picnic, but it was in the parking lot of Magnolia Church. There is something about having a picnic with no grass, it’s just not very “picnic-y.”

I am happy to announce this year we will celebrate the church’s 69th Anniversary on the campus of CBU! We have reserved the swimming pool beginning at 2:00 PM and there will be plenty of grassy areas with some shade to enjoy the fellowship of one another.

In honor of Cinco de Mayo, Pastor Tony Rodriguez will be preaching in the joint worship service with Magnolia Español that morning. As the main entrée,

we will have Barney’s Tacos along with the various dishes and desserts we all will be bringing. Visit magonline.com/churchpicnic to see which dish your family can bring. It is going to be an enjoyable day and a wonderful time for you to invite a friend to come and relax or sign up for the Cornhole Tournament we are planning that afternoon.

I look forward to seeing you there!

Let’s Start the Party!

Joni Lum, Kids & Family Minister

Jesus gives us the most amazing reason to party. That’s why we believe God’s love and the Gospel of Jesus is the best news ever. We want everyone to know the good news of Jesus so they can celebrate with us.

Magnolia Church has a long history of reaching out to our community through offering this summer program. Over our many decades, we’ve seen kids become Christians, families become connected with our church, and kids be encouraged to grow and take their next steps of faith. This year, kids will learn about Jesus’ friendship, belonging, forgiveness, abundant life, and purpose. It’s a message of hope and celebration that kids need to hear.

Our program is June 10th - 14th, Monday through Friday evenings from 6:00 PM - 8:30 PM. Friday evening is a special family celebration where we will conclude our week with a Science Show. We have opportunities for everyone to serve, from working directly with the kids to helping us prepare materials ahead of time. You could also join our follow up team. This year we will host a Family Party on Wednesday, June 19th. This Family Party is a time for us to meet the families, share about what it means to be a Christian, and answer any questions. We’ll be there to help them take their next steps.

It’s going to be an amazing week. I hope you’ll join us to reach the next generation at Magnolia Church. Reserve your spot at magonline.com/kids, we can’t wait to see you at the Party!
